

Holistic Management – A Foundation for Regeneration

The 8-day course is structured as four 2-day sessions, 4 to 6 weeks apart allowing participants to take the information home from each session and see how it fits in with your situation. Each session starts with revision. Sessions usually run from 8.30am to 4.30pm

Session Dates

8-day course (four x 2-day sessions) starting JUNE 2024 (numbers dependent)

Session 1 June 11-12 (Tues - Wed)

Session 2 July 9-10 (Tues - Wed)

Session 3 Aug 6-7 (Tues - Wed)

Session 4 Sep 3-4 (Tues - Wed)

Course Outcomes

Gain a solid understanding of the holistic nature of our environment.

Learn how to make decisions that are simultaneously socially, environmentally and financially sound using the Holistic Management Framework.

Learn how to utilise animals as a positive tool to improve environmental health.

Create a Holistic Context for yourself and your business/family.

Gain a deep understanding of Holistic Financial planning Holistic Grazing planning

Improve your time management and communication skills.

You'll leave with a positive outlook and a bunch of new ideas to help you achieve your goals.

We provide email and telephone back up.

We also initiate a post-course support group mechanism, enabling your group to set up regular meetings to share learning and successes.

We encourage participants in Holistic Management training to attend with partners or managers. This support assists greatly with adoption of change.

Educators

Our Holistic Management courses are delivered by Holistic Management Educators certified with [Holistic Management International](#) and / or [The Savory Institute](#)

Fees

The course fee of \$2 420.00 (inc GST) per person includes 8 days of training, a textbook, manuals, Holistic Grazing Planning and Holistic Financial Planning resources, stationery, teas and lunches - and a fantastic learning experience!

A 20% discount is offered to the third person from a business attending a course.

Those who are eligible for the Australian Federal Government Farm Household Allowance may qualify for funding assistance to attend a Holistic Management course with Inside Outside Management.
